<b>PUBLIC QUESTIONS</b>	Chad Bloor – advised that both defibrillators were down. The one at the Auctioneers need power to the box, which should have been done when installed, so can't go in as temperatures outside will damage the pads. Cllr Ward to ensure this is done asap. It was agreed that until this is done the defibrillator should be left inside the pub so at least it is accessible during opening hours. The one in The Square is showing there is a fault on it so must get in touch with manufacturer to get sorted. Clerk to put post on Facebook advising of the current defibrillator situation.	RW  Clerk
